“Heat Up The Night was a great opportunity to build team camaraderie and introduce employees to an organization doing impactful work in the Charlotte area. Many team members are getting involved and supporting Right Moves for Youth.”

Building better lives through extraordinary relationships

HEAT UP THE NIGHT 2022

Thursday, December 8
6pm - 9pm

When youth are supported, they thrive and become healthy adults who contribute to society.

OUR MISSION

To provide resources and guidance to help students in grades 6-12 graduate high school with a plan for their future success.

Right Moves for Youth (RMFY) is a school-based, youth development and student support program focused on helping teens develop the skills to succeed in school and life. Using a group counseling model, we help students stay in school, do the right things, strengthen social skills, and prepare for the future. Students grow together and build positive relationships to excel academically, socially and emotionally.
